Letter of Intent to Cooperate between ATIS and TSDSI

Made between:

Alliance for Telecommunications Industry Solutions (ATIS)
Represented by Susan Miller
President and CEO

Telecommunications Standards Development Society, India (TSDSI)
Represented by Dr. Asok Chatterjee
Executive Director, Standardization

Hereinafter collectively referred to as the “Parties”

Considering that:

- The intention of the Parties is to perform and promote, directly or indirectly, regional and international standardization with the aim of contributing to the establishment of a global information infrastructure. Furthermore the parties may seek to encourage and develop collaborative activities in various ways, including the exchange of ideas and expertise.

- The Letter of Intent to Cooperate is not a legal contract and is not legally binding. Separate agreements for specific projects, including related legal contractual terms and financial considerations (if any), will be negotiated as necessary.

Now agree the following:

The FORMS OF CO-OPERATION considered for the development of the above-mentioned objectives could be, but are not limited to the following:

- Exchange of information on their respective work programs for avoiding duplication of technical work and when relevant adopt a complementary approach to the standardization process in the domains of mutual interest,

- Identify areas of mutual interest for the benefit of sharing best practices and exchange expertise,

- Collaboration in the development of various studies, research projects (not exhaustive) on different issues of the ICT industry, in order to lead investigations, research, and complete studies and projects of mutual interest in the region,

- Participation of the parties in industry events and congresses, etc (e.g. for branding purposes) organized by the different entities or where one has active participation, and more generally in joint promotional activities, and

- Participation from the parties in the other’s promotional publications (e.g., articles, marketing material, etc.).
The OPERATIONAL FRAMEWORK for the application of this Letter of Intent to Cooperate will be through a mutual participation by the parties in activities as identified above related to the areas of mutual interest.

The present Letter of Intent to Cooperate shall be valid for two (2) years and upon expiry it shall be automatically renewed for further two (2) year periods unless either party provides one month written notice of termination.

This Letter of Intent to Cooperate may nevertheless be terminated at any time by mutual consent of the parties. In any cases of discontinuance, the parties will honor agreed commitments either via the accepted arrangements or suitable alternatives negotiated at that point.
