Re: ATIS' North American Numbering Council Representative

Dear Ms. Jones:

I am writing to officially notify you of a change in ATIS' representation to the North American Numbering Council (NANC). Jean-Paul Emard, who is currently listed on the NANC membership directory as ATIS' alternate representative, has retired from ATIS. ATIS would like to name Jackie Voss, ATIS Manager of Global Standards Development, as ATIS' alternate representation to the NANC. Ms. Voss' contact information is as follows:

Jackie Voss
Manager of Global Standards Development
jvoss@atis.org
voice: 913-393-0891
fax: 202-393-5453

Ms. Voss is not a registered federal lobbyist. Please let me know if you need any additional information.

Regards,

Thomas Goode
General Counsel
