# CONTENTS

1. Executive Summary.....	1
2. Background.....	2
3. Data Collection and Analysis Methodology.....	3
3.1 Definition of Mutual Aid and Restoration.....	3
3.1.1 Resource-Lending Agreements.....	3
3.1.2 Network-Sharing Agreements.....	3
3.2 Data Questionnaire.....	4
4. Examples of Mutual Aid and Restoration Agreements.....	4
4.1 Formal Agreements.....	4
4.1.1 Agreement Between Bellcore Client Companies for National Security Emergency Preparedness (NS/EP) Resource Allocation.....	4
4.1.1 Mutual Aid Agreement Among Telecommunication Interexchange Carriers and Local Exchange Companies in California for Emergency Resource Allocation.....	4
4.1.2 Mutual Aid Agreement Among Telecommunication Interexchange Carriers and Local Exchange Companies in California for Emergency Resource Allocation.....	5
4.1.3 Bell South Telecommunications and Interexchange Carrier Emergency Preparedness and Restoration Agreements of Understanding for Alabama and Tennessee.....	5
4.1.4 Agreement of the New York City Metropolitan Region Mutual Aid and Restoration Consortium.....	6
4.1.5 National Telecommunications Management Structure (NTMS) - National Coordinating Center (NCC).....	6
4.1.6 Shared Resources (SHARES) High Frequency Radio Program.....	7
4.2 Industry Cooperation and Informal Arrangements.....	7
4.2.1 Local Exchange Carriers.....	8
4.2.2 Interexchange Carriers.....	8
4.3 Network Operations Forum - Network Management Guidelines and Contact Lists.....	9
5. Path Forward - Key Considerations in Developing Mutual Aid and Restoration Agreements.....	10
5.1 Definition of Emergency.....	10
5.1.1 Definitions Used In Existing Formal Agreements.....	10
5.1.2 TSP Emergency.....	11
5.2 Communications/Contact Methods.....	11
5.3 Liabilities/Compensation.....	12
5.4 Use of Confidential and Proprietary Data.....	13

5.5	Telecommunications Service Priority (TSP) System.....	13
5.6	Origins of Formal Agreements.....	14
5.7	Roles and Responsibilities.....	14
	5.7.1 Declaration of Emergency.....	15
	5.7.2 Coordination Role.....	15
	5.7.3 Signatory Role.....	15
5.8	Priority/Precedence in Outages Affecting Multiple Carriers.....	15
5.9	Customer Education.....	16
5.10	Exercises and Mock Drills.....	16
	5.10.1 NSEP Drills.....	16
	5.10.2 IEC Drills.....	16
	5.10.3 Local Exchange Carrier Drills.....	17
6.	Conclusions.....	17
7.	Acknowledgements.....	18
	Acronyms.....	18

# Compendium of Mutual Aid and Restoration Agreements

## Appendices

- Appendix 1            Telecommunications Network Emergency Mutual Aid  
and Resoration Agreements Questionnaire
- Appendix 2.1        Agreement Between Bellcore Client Companies for National  
Security Emergency Preparedness Resource Allocation
- Appendix 2.2        Mutual Aid Agreement Among Telecommunication Interexchange  
Carriers and Local Exchange Companies in California for  
Emergency Resource Allocation
- Appendix 2.3        BellSouth Telecommunications, Inc. and Interexchange Carrier  
Emergency Preparedness and Restoration Agreement of  
Understanding for Alabama, August 25, 1992
- Appendix 2.4        BellSouth Telecommunications, Inc. and Interexchange Carrier  
Emergency Preparedness and Restoration Agreement of  
Understanding for Tennessee, November 18, 1991
- Appendix 2.5        Agreement of the New York City Metropolitan Region Mutual Aid  
and Restoration Consortium
- Appendix 3           Examples of Portable Restoration Equipment and Emergency  
Equipment Configurations
- Bell Atlantic Mobile Switching Trailer Equipment
  - AT&T Network Systems Restoration Vehicles
  - AT&T Network Systems SESS Switch Central Office Recovery  
Express
  - Northern Telecom Disaster Recovery Guide
  - Northern Telecom Disaster Recovery Procedure
- Appendix 4           Network Operations Forum Reference Document: Network  
Mangement Guidelines and Contact Directory, Issue 9,  
September 1992
- Appendix 5.1        New York City Mayor's Task Force on Telecommunications  
Network Reliability: A Guide to Contingency Services,  
January 1992
- Appendix 5.2        New York Telephone Small Business Consumer's Guide
