On behalf of the above company, and being authorized by the company to make such representations, we indicate the following:

PHILIPS ELECTRONICS N.V. (Company Name, hereinafter "company") hereby grants a free, irrevocable license to the Telecommunications Industry Association (TIA) and/or Committee T1 (T1) to incorporate text contained in any company contributions and any modifications thereof in the creation of a TIA and/or T1 Standards publication; to copyright in TIA's and/or T1's name any TIA and/or T1 Standards publication even though it may include portions of the contribution; and at TIA's and/or T1's sole discretion to permit others to reproduce in whole or in part the resulting TIA and/or T1 Standards publication.

With respect to any essential patents held or controlled by the company, pending or anticipated to be filed necessary to implement the above Standard (mark with an X those applicable):

The company states: it does not hold and does not anticipate holding any invention whose use would be required for compliance with the proposed TIA Standard or Interim Standard

OR

The company states that: (i) A license will be made available without compensation to applicants desiring to utilize the license for the purpose of implementing the standard or

(ii) A license will be made available to applicants under reasonable terms and conditions that are demonstrably free of any unfair discrimination.

Finally,

The company has provided a copy of its licensing terms and conditions along with a statement of the number of independent licensees, if any, which have accepted or indicated acceptance of terms and conditions of the license attached to this form in a envelope sealed by the patent holder for transmittal to ANSI for its review prior to authorizing the publication of the proposed Standard.

NOTE: If not attached, indicate when the envelope will be received at TIA. Indicate the company name and proposed Standard number on the outside. Date due at TIA: _____

Agreed, on behalf of the above Company: _____
