Jim Waldo, Sun Microsystems, requested the following statement be included in the minutes:

"Sun intends to offer the IP behind Jini at reasonable and nondiscriminatory terms to all implementors. And the documentation to that effect will be sent to Beth Marshburn ([beth@lucent.com](mailto:beth@lucent.com) <<mailto:beth@lucent.com>> <<<mailto:beth@lucent.com>>>) to upload into the T1M1 site."

nicole,  
do you have that JINI patent statement so I can include in the minutes. Thanks ☺  
Becky
