Re: T1 Standards
T1E1-43 M2DSL project
T1E1-39 HDSL2 project → T1.418

This is to affirm that:

If part of a submission made by Spediant Systems Ltd. ("Spediant") is included in a American National Standard ("standard") and Spediant has patents and/or pending application(s) that are essential to implementation of such included part in said standard, Spediant is prepared to make a license available to applicants under reasonable terms and conditions that are demonstrably free of any unfair discrimination.

Written requests for licenses may be sent to:
